Manitoba Government Libraries Directory 1987

Manitoba

MG-15293

Introduction

This edition of the **Manitoba Government Libraries Directory** is intended as a reference guide to the various library collections and services presently available.

As in previous years, entries are arranged alphabetically by Department and/or Crown agency in one sequence. Entries in this edition include subject strengths, database systems and automated systems headings where applicable. Also, new to this edition is a general subject index.

The Manitoba Government Libraries Council is grateful to the library staff members who took the time to complete survey forms under deadline. Any errors are due to this editor, not the Council, and will be received by:
